

BRADFORD GRAMMAR SCHOOL BOAT CLUB
PARENTS' ASSOCIATION

February 2009

Dear Rowers and Rowing Parents,

We are writing to ask if you would be interested in getting involved with an exciting project.

The BGS Boat Club Parents' Association would like to publish a book, containing favourite recipes from famous sportsmen and women, both old boys, others from the sporting world, and staff. This book will also feature quotes from celebrities, nutritional advice for young sports people, advice on training for big events, how to avoid hypothermia etc, as well as more humorous articles. There might be photos or even some history of the club. We would like the book to be fun and readable, and of interest to all, not just rowers (though any profits would be directed towards the school boat club). Hopefully this will be a good fund-raiser, and raise the profile of the club.

Such a project will need a working group, a team of people involved in editing, design, writing articles, speaking to publishers and sponsors, marketing etc in order to get it off the ground. We would particularly like to encourage pupils to consider getting involved, if they would like to learn about the process of getting a book published. It would be useful experience, and something to write about on your University application!

The first meeting of the Boat Club Book Project will be at school on Monday 9th February, at 7pm in the Dining Room. If you would like to be involved, even if you can't come to the first meeting, please would you reply by e-mail to author@bgsbc.co.uk

We would also love to hear from you if you have any ideas or contributions, but are unable to be committed to the development of this project.

With many thanks, the Boat Club Parents' Association committee.
